Sir,,

8,1224/24 Adverting to Government Order No. I.C.1574-7/Geol. 29-24-9 dated 3rd September 1924 permitting Mr C. E. Suryanarayana Rao, Superintendent, Mysore Iron Mines, to revert to his permanent place as Assistant Inspector of Mines in this Department, I have the honour to state that, when this occurs, the present Ag. Junior Inspector of Mines, Mr. V. Narayana Rau, will have no locus standi " in the Department and to add that no orders of Government have been passed on this point In this connection, I wish to submit the following facts for the kind consideration and orders of Government

S

2. In Government Order No. 4095-7/Geol. dated 28th December 1922, it was laid down that the services of Mr. V. Narayana Rau, Probationer, who had then been served with a notice of discharge (vide Government Order No.I.C. 6306-66/Geol. 88-21-1 dated 27th June 1922 abolishing the Explosives Branch of the Department), should be retained against the vacancy then existing - of the Junior Inspector of Mines following on the transfer of Mr. C. E. Suryanarayana Rao for duty in the Mysore Iron Mines.

T

3. Mr. Narayana Rau has been discharging the duties attached to his post methodically and to my entire satisfaction since he joined his appointment on 4-1-23. Prior to this date, he was on probation in the Explosives Branch for 2 years from the 18th September 1920 and has served in the Department for 4 years altogether,

plus

12

plus 1½ years in the Secretariat before he was taken on as Probationer, hence the total service rendered amounts to 5½ years.

4. It is my intention to proceed to England on combined leave for 6 - 7 months in March - April 1925 and, on my return to duty, Mr Beckwith, Inspector of Mines, will then be going on leave preparatory to retirement. Thus Mr. Narayana Rau's services would be required in the Department permanently in October 1925.

5. It is understood that Mr. C. E. Suryanarayana Rao has applied for 2½ months' privileve leave from the date of his relief at Bhadravati and, as no other officer of this Department intends taking leave between the time of Mr. C. E. Suryanarayana Rao's joining duty and my leaving for England (i.e. from December 1924 to April 1925), it would be very hard on Mr. V. Narayana Rau if no provision were to be made for him for these 4 months on account of the lack of any vacancy for making acting arrangements. He has gained considerable experience in the work of the Department and has done very well in the Explosives Section. It is therefore both desirable and necessary that his services should be retained.

6. Under these circumstances, I request that Government may be pleased to order the continuance of Mr. V. Narayana Rau's services and to treat him as a " supernumerary " till April 1925, after which date it will be possible to absorb him into the permanent staff.

Early orders of Government are solicited to the above proposal.

Sir,

2 Adverting to your letter No. I.C. 2172/Geol. 32-24-2 dated 23rd September 1924 in the matter of treating the services of Mr. V. Narayana Rau, Ag. Junior Inspector of Mines, as supernumerary in the Department during the period that there is no vacancy for him to act, I have the honour to state it has been ascertained that Mr. C. E. Suryanarayana Rau is availing himself of 2½ months' privilege leave commencing from the 5th October last and is therefore expected to return to duty about the 20th December 1924. As it is my intention to proceed to England on combined leave towards the latter part of March 1925, Mr. Narayana Rau's services will have to be treated as supernumerary for approximately 3 months only and therefore the proposal is re-submitted for the favourable consideration and early orders of Government.

Sir,

In compliance with your letter No. I.C.3858/Geol. 32-24-4 dated 5th December 1924, I have the honour to forward, herewith, the Service Register of Mr. V. Narayana Rau, Ag. Junior Inspector of Mines.

2. The entries made in it relate to his appointments prior to being entertained as Probationer in the Explosives Section of this Department, ordered in G.O.No.G.5303-7/Geol. 60-19-4 dated 6th Septr. 1920. This appointment he joined on the 17th September 1920, after being relieved of his duties in the Secretariat the same afternoon. He continued in this appointment till 10th October 1922 on which date his services were dispensed with following the abolition of the Explosives Branch as a measure of retrenchment vide G.O.No.I.C.6306-66/Geol. 88-21-1 dated 27-6-1922. Efforts made to secure him a suitable appointment before the expiry of the notice period having failed, Mr. Narayana Rau accepted an acting appointment as clerk in the Revenue Commissioner's office on 30th October 1922 20 days after the expiry of the notice period-and continued to hold same till 31st December 1922. In the meanwhile, the post of the Junior Inspector of Mines fell vacant in consequence of the transfer of Mr.C. E. Suryanarayana Rau, Asst. Inspector of Mines, for duty in the Mysore Iron Mines and Government, in their order No.4095-7/Geol dated 28th December 1922, ordered the retention of Mr.Narayana Rau against that vacancy. Accordingly oined this appointment on 4th January 1923, having been duly relieved of his work in the Revenue Commissioner's office.

Thus

3) Thus there has been a break of 20 days - from 10th October to 30th October 1922 - in his service since first joining service on 26th March 1919 as Compiler, Education Committee, Mysore Economic Conference, up-to-date. The history of his service after being appointed as Probationer, Explosives Branch, can be verified from records in the Comptroller's Office.
